# DOLY'S

## THE DOLLY SISTERS

The Dolly Sisters, identical twins Rosika (Rose) and Jansci (Jenny) Deutsch, were born in Hungary on 25 October 1892 and emigrated to the United States in 1905.

They debuted on the Vaudeville circuit four years later and joined the famous Ziegfeld Follies.

They made half a dozen films between 1913 and 1920 and toured the theatres and dance halls of Europe.

Their private life was as melodramatic as their career was stellar. Around 1918, they became lovers of our founder - Harry Gordon Selfridge, known as 'the showman of shopping'.
